¹ Robin engine covered under Robin-America warranty 2 (two) years consumer and commercial. See Robin warranty statement for details.

Limited Lifetime Warranty*

- Major ignition components (transistor unit, ignition coil, exciter coil, and pulser coil) applies to all models for internal failures only.
- Solid drive shafts and flex drive cables for Trimmers, Brushcutters, Multipurpose Tool carrier and Tools, Articulated Hedge Trimmer, Pole Pruner, PowerBroom™, and Lawn Edgers.

*A **Limited Lifetime** warranty coverage applies for (parts replacement only, labor excluded) after the applicable warranty period has expired. **Failures due to improper maintenance, lack of lubrication or operation of a trimmer without the line cutter are not covered.**

Replacement Parts and Accessories

A **ninety (90) day warranty** applies to over-the-counter **Replacement Parts** (parts replaced under warranty are covered for the remainder of the original product warranty period). **Accessories** such as bars, chains, sprockets, tiller/cultivator tines, trimmer heads, trimmer/brushcutter cutting attachments and PowerBroom[®] belts are subject to normal wear and tear and are not warranted unless failure was due to a defect in materials or workmanship within ninety (90) days from the original product purchase date.

Emission System Warranty

The U.S. Environmental Protection Agency (EPA) and the California Air Resources Board (CARB) have implemented regulations that set specific exhaust emission limits. Shindaiwa supports the effort to improve air quality and currently tests and certifies engines with both agencies. Emission certified engines can be identified by an "Important Engine Information" label on the engine.

Certain components on these engines have a separate, two year, emission control system warranty. Details of the emission control system warranty limits are provided in the Emission System Warranty Statement section of the product owner's/operator's manual for an emission certified engine.

Warranty Exclusions and Limitations

Shindaiwa Inc. assumes no responsibility for damages, loss or injury resulting from: operating products in a manner not outlined in the owner's manual, normal wear and tear; misuse; modifications to or removal of original component parts; neglect or improper maintenance or adjustments; fuel, oil, fuel mix, filters or parts not conforming to manufacturer's specifications; or service by other than authorized Shindaiwa servicing dealers.

This warranty is limited to the terms stated herein. Shindaiwa Inc. disclaims all liability for incidental or consequential damages. Some states do not allow the exclusion of incidental or consequential damages, so these limitations may not apply. This warranty gives you specific legal rights and you may also have other rights which may vary from state to state.

Shindaiwa reserves the right to change the design or specifications of any product without obligation to modify previously produced units.

Owner's Responsibilities

The owner shall demonstrate reasonable care in the use, maintenance and storage of the Shindaiwa product. Should a warranted failure occur, the owner shall deliver the product to an authorized Shindaiwa servicing dealer for correction.

Proof of purchase must be presented to the repairing authorized Shindaiwa servicing dealer to obtain warranty service. This must include date of purchase, model and serial number, and the name and address of the selling dealer.
