

Shindaiwa Commercial Warranty Advances to Two-Years

CHICAGO, IL (December 15, 2009) – Effective January 2010, Shindaiwa Products will be sold with a two-year commercial warranty.

“Shindaiwa has a long history of providing premium, high quality products to the professional user,” says Joe Fahey, VP Marketing, ECHO Incorporated. “We are pleased to make this announcement which supports the confidence customers have in the Shindaiwa brand.”

He adds that the upgrade covers both Shindaiwa’s two-stroke and C4 engine driven products in the categories of trimmers, brushcutters, edgers, hedge clippers, blowers, Powerbrooms, augers, water pumps and motorized sprayers. Chain saws and cut-off saws will continue to be sold with the 90 day coverage.
